Update Draft response-Bias.docx

Vicky, Bill – this is the version I sent to Mike D, which he is OK with. If these haven't been packaged up for signature already, they can be.

Laura, Nan – if these are in yellow folders sitting on my chair/desk for review, could you take a quick look and sign off for me? Otherwise, they'll sit until Thursday.

Thanks!

Jennie

Mike & Mark – Jon requested that we make minor updates to the “template” WV response letters. This version makes changes to reflect that OSCs are no longer on site and that the tap testing is underway.

Please advise of any additional changes or if we're good to go with this updated version. Please be in contact with Vicky and Bill directly, as I'll be on travel Mon-Wed of next week.

Thanks!
